

## A few words from our Community Partner

Kevin Cook, Colin Construcion

"Nevada County and SNMH hold a special place in Colin Construction Company roots. Grass Valley is where ColinCC started its healthcare construction emphasis and although we have moved and evolved, most of our employees still reside in Nevada County. Building a thriving, healthy community is imbedded in who we are. Our mission to support the healthcare industry goes beyond construction. Giving back is key and always will be. "

## SNMH Foundation Mission

We touch and save lives every day by helping Sierra Nevada Memorial Hospital deliver superior healthcare through outreach programs, education, state-of-the-art technology and facilities by means of philanthropy and volunteerism.
