### **Community Comes Together to Support Local Healthcare at the 32nd Annual SNMH Golf Classic**

**Grass Valley, 6/17/25** – The Sierra Nevada Memorial Hospital Foundation extends heartfelt gratitude to all who joined us at the 32nd Annual SNMH Golf Classic held earlier this month at Lake Wildwood. Thanks to the incredible support of players, sponsors, and volunteers, the event was a resounding success—celebrating community spirit while raising critical funds to expand access to healthcare in Western Nevada County.

Participants were treated to a gorgeous day filled with sunshine, friendly competition, and a shared commitment to enhancing local medical services. Proceeds from the tournament will directly support the hospital's efforts to provide high-quality, compassionate care close to home.

#### **Congratulations to This Year's Winners:**

- **Men's First Place:** Team Ursiny
- **Women's First Place:** Team DeGraw
- **Mixed First Place:** Team Rangel
- **Hole-in-One on Hole 16:** Don Crow — winner of a year's supply of Omaha Steaks!

"Events like the Golf Classic are a powerful reminder of what we can accomplish together," said Sandra Barrington, Executive Director of the SNMH Foundation. "Every swing, every sponsorship, and every moment of camaraderie helps us build a healthier future for our community."
