

Creating a Path to Health

SIERRA NEVADA MEMORIAL HOSPITAL FOUNDATION
FY 2015/2016—4th Quarter Report
April—June 2016

EXECUTIVE DIRECTOR'S MESSAGE

Kimberly Parker, CFRE

Bob Dylan's song, *The Times They are a Chagin'*, seem to keep playing through my mind lately. Healthcare has always been an ever changing field, but lately the changes are happening faster and faster. I'm excited to share with you that SNMH Foundation is ready and eager to meet these changes head on! In FY2016, we have already started to do just that with taking on a larger role in the Alzheimer's Outreach Program, community benefit programs, the wellness center classes, the Falls Prevention Coalition and much more.

The definition of health is vast and encompasses so much more than taking care of you while you are sick. We want to help keep you healthy too! For example, this year we started the Savvy Women Talk speaker series program because we know that women who have strong relationships with female friends live longer. We are also working on a fun men's health event this year too. SNMH Foundation is taking a larger role in the wellness classes and soon you'll be able to sign up online on our website at www.SupportSierraNevada.org

What you will see in the next year is much more than a fundraising foundation. I hope you will join us in embracing these exciting changes that will focus on health prevention.

Our Health. Our Community. Our Hospital.

With Gratitude,

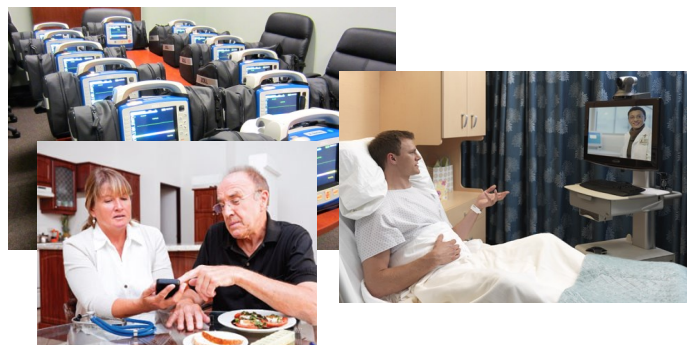

Kimberly Parker, CFRE

Executive Director

BECAUSE OF YOU

Because of you, our dedicated donors, many important health projects and programs were funded at Sierra Nevada Memorial Hospital and in the community in this fiscal year (July 1, 2015 to June 30, 2016). A sampling of your impact includes:

A new Ambulance
Crisis Stabilization Unit
Alzheimer's Outreach Program
Free Mammography
Breast Cancer detection
Cancer Center Support Groups
LifeLine
Medical Library
Chapel
Telemedicine for Psychiatry
Comfort Cuisine meals and equipment
Patient Assistance Fund
Diabetes Education
Cardiac Rehab equipment
Operating table for Surgery
Cardiac Monitors
Falls Prevention Coalition

April – June 2016

ECONOMIC IMPACT REPORT RELEASED

Recently the Hospital produced two reports. One on the economic impact Sierra Nevada Memorial Hospital has on this community, its financial challenges, and how the hospital’s board is exploring new business strategies and partnerships designed to manage future health care services while remaining financially viable. The second is a community needs assessment to help the hospital prioritize the highest healthcare challenges in our region. Articles about the reports were published in The Union Newspaper on the Hospital’s Healthy Tuesday page. Below are some interesting statistics that were shared in the reports.

10% of jobs in Nevada County are linked to healthcare

SNMH generates nearly \$150 million in spending activity locally

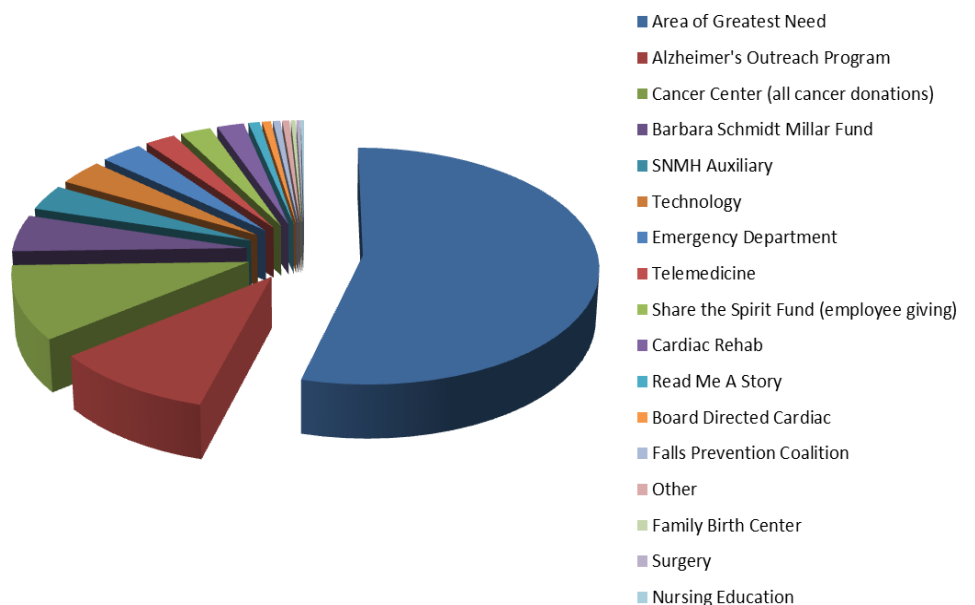

SNMH provided \$23 million in charity care for uninsured, underinsured and low income residents

According to the study, the county’s population spends about \$166 million a year on health care, 65 percent of which is spent by residents over 55. Ironically, federal, state, and [insurance reimbursements for these and other increasing services are shrinking to the point where payments no longer cover the cost of that direct care, the study noted](#). While the Affordable Care Act made insurance coverage available to more people, it also further reduced Medicare reimbursement levels, while assigning hospitals more responsibility for overall community health.

If you would like more information about these reports, please contact Kimberly Parker, Executive Director, at (530) 477-9700 or email kparker@snmhf.com.

Where do donors direct their giving?

April – June 2016

BSM FAMILY FUN WALK

The Barbara Schmidt Millar Celebration of Life committee hosted a family fun walk in June to promote the triathlon and the need for annual mammograms. The walk began at the Diagnostic Imaging Center at Sierra Nevada Memorial Hospital and took walkers down Sierra College, to Ridge Road, up Hughes Rd to the Litton Trail, back to Sierra College and to the Hospital. Thank you to everyone who participated.

CANCER CENTER PICNIC

Every year the Cancer Center hosts a picnic for patients, survivors, and their families. The picnic is a time of celebration and reflection. This year we had the event at a new location at the Nevada County Fairgrounds with a new caterer and included some live music as well.
