EXECUTIVE DIRECTOR'S MESSAGE

Kimberly Parker, CFRE

You may sometimes wonder what actually happens with the donation that you make to non-profits. You probably get a nice thank you letter in the mail and possibly a phone call to say thanks. But, do you ever really see a breakdown of where your donation actually goes? At Sierra Nevada Memorial Hospital Foundation we pride ourselves on transparency, and we are proud to tell you that 100% of your donation goes directly to our local nonprofit hospital. 100%! The return on investment that you receive is a strong, local nonprofit hospital that serves 75,000 patients in our service area. That's right, your donation impacts 75,000 people! Those people are your neighbors, your co-workers, your friends, family. Everyone at some point will need the services of Sierra Nevada Memorial Hospital. Thank you for ensuring that all of those 75,000 people have access to top-quality medical care in their own backyard.

Sincerely
Kimberly Parker, CFRE
Executive Director

AREA OF GREATEST NEED

What does that really mean? Area of Greatest Need? And where do those donations go to? Area of Greatest Need donations are sometimes referred to as Unrestricted. Many donors choose to give to the Cancer Center, Cardiac Rehab, the Women's Imaging Center, the Family Birthing Center, or possibly the Emergency Department as examples. Those donations are then restricted to provide support only to the department or program that the donor specified. Area of Greatest Need donations are unrestricted and can be used to support any area of the Hospital. The Executive Director works closely with the Hospital CEO and CFO to determine the best and highest use of these funds each year. The SNMH Foundation Board of Directors then votes on how the Area of Greatest Need money is spent. The goal is to ensure that donor dollars are directly improving patient care locally at SNMH.

In fiscal year ending June 30th, Area of Greatest Need funds were utilized to support the following vital Hospital needs:

- Inpatient MRI
- Medication Pumps for Nursing
- Labor and Delivery Ultrasound
- Cardiac Monitor for the Family Birth Center
- Incubator for the Family Birth Center
- Creation of a Local Medical History Exhibit
- Information Technology Programs

SAVVY WOMEN TALK KICK OFF

On June 18th, SNMH Foundation kicked off the Savvy Women Talk speaker series at the Center for the Arts. The event was attended by 85 very savvy women in our community. Carol Scofield was the featured speaker who encouraged guest to, "Don't walk away from negative, RUN!" And she had the crowd chanting, "I AM AWESOME!"

We greatly appreciate the Center for the Arts for hosting us at their beautiful facility.

EVENT PRESENTING SPONSOR

Many thanks to Streamline Construction for their presenting sponsorship of the SNMH Golf Classic!
